

Product information

Product name	Constant current constant voltage charging module
Product number	VHM-101
Input voltage	DC 8-40V
The output voltage	DC 1.25-36V
Output current	5A maximum(More than 5A need to strengthen heat dissipation)
Output Power	180W
On-off level	180KHZ
Conversion efficiency	85%-95%
Short circuit protection	Have
Product Size	85*51*29mm
Product Weight	68g

Product wiring
